LOVE & PEACE FOR THE WORLD

Charity Concert for HAND IN HAND
Live at KYC Vienna with

Yvonne Krüger-Schulte and Omid Bahadori

Sunday 2nd June 2024
3:45 p.m. CET

Full of Joy and Gratitude we present **Yvonne Krüger-Schulte's CD project**, which is 100% dedicated to the Hariharananda Balashram Residential School to give children born in destitute poverty a safe home and the chance for a good life.

The versatile and dedicated artist experiences sound in all its facets and richness of colour as the key to music and language – for the pianist, singer, and speaker, both are literally miraculous ways to encounter oneself. Her music is a cross-genre experience of *joie de vivre*.

She will be accompanied by the breathtakingly versatile musician Omid Bahadori. His heart beats for and with music as an equally comforting and blissful journey through old and new musical art culture. – JOYN US!
